O FIRMIE

ABOUT THE COMPANY

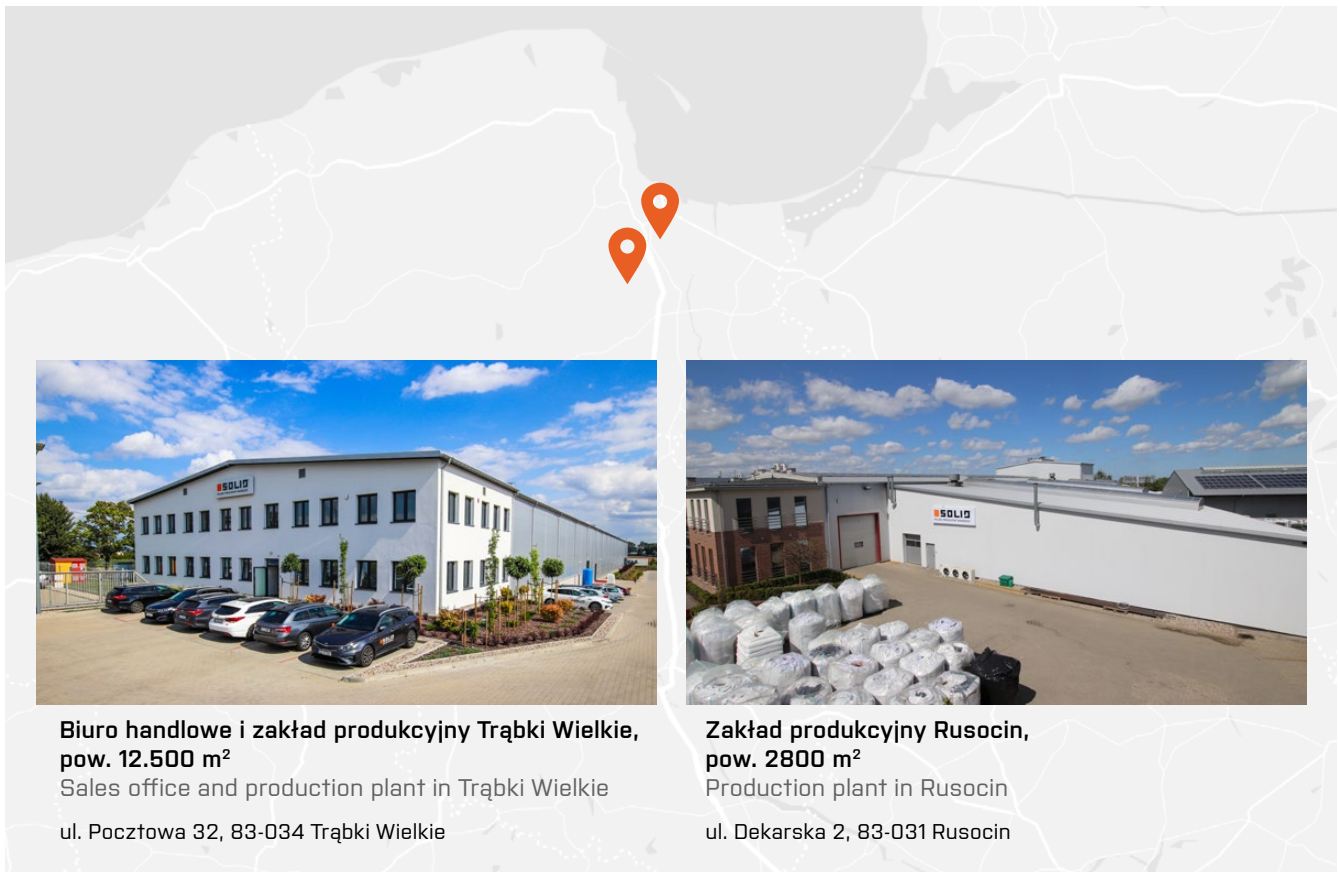

Nasza firma rozpoczęła działalność w 2001 roku. Posiadamy własne zakłady produkcyjne zlokalizowane w okolicy Gdańska, w których powstają ręczne narzędzia budowlane, systemy poziomowania płytek, artykuły malarskie i produkty foliowe. Poprzez własny dział handlowy zaopatrujemy ponad 2500 marketów i składów budowlanych na terenie Polski i Europy. Jako firma zawsze staramy się budować długoterminową współpracę, której bazą jest wzajemne zaufanie oraz odpowiedzialność.

Zapraszamy do współpracy.

Our company was founded in 2001. We have our own production plants located near Gdansk where hand construction tools, tile leveling systems, painting tools and foil products are manufactured.

Through our own sales department we supply over 2500 DIY stores and construction warehouses in Poland and Europe. As a company we always try to build a long-term cooperation with our customers, based on the trust, honest and responsibility.

We are looking forward to doing business with you.

SOLID TOOLS

Produkty pod marką SOLID przeznaczone są dla profesjonalnych wykonawców budowlanych, którzy doceniają wysoką jakość i niezawodność używanych narzędzi. Do produkcji naszych wyrobów używamy wyłącznie najwyższej jakości komponentów, takich jak stal pochodząca z renomowanych europejskich hut czy wysokogatunkowe tworzywa sztuczne. Proces produkcji jest stale monitorowany, dzięki czemu uzyskujemy produkty najwyższej jakości.

Products under the SOLID brand are designed for professional building contractors who appreciate the high quality and reliability of the tools. For the production of our products we use only the highest quality components such as steel from renowned European producers and high quality plastics. The production process is constantly monitored thanks to which we obtain products of the highest quality.
